Our contact information:

What is CTRL?

- The **Coalition of Tech-Related Leadership(CTRL)** is a newly recognized student organization at **San Diego State University**
- We're **comprised** of officers from the following clubs: **Association for Computing Machinery, AI club, Girls Who Code, and Data Science Initiative**
- The **goal** of CTRL is to create a strong path of **open communication and collaboration** between the **tech-related clubs** on campus
- We've already hosted a successful joint event earlier this year with a **turnout of 120+ students!**
- Up next, we're planning an even larger event: our first multi-club, co-hosted, **HACKATHON!!**
